Dear Watts Chapel,

Navigating through this pandemic has been an adventure. During this pandemic you have demonstrated the great Christian virtues of love, faith and hope. By the grace of Almighty God, we have experienced ongoing grace and growth.

Lately, there has been an increase of exposure and positive tests concerning COVID-19 and the new highly contagious Omicron variant. As an expression of concern and safety, we are suspending **IN-PERSON** worship indefinitely until the leadership of Watts Chapel deems it safe to physically return to the campus of Watts Chapel. We apologize for any inconvenience this decision may cause but we are making this decision as an expression of love and safety. I encourage everyone to get vaccinated, get the booster shots, wear your masks, and get tested for COVID if you have any symptoms.

Please continue to connect with Watts Chapel virtually on Sunday mornings at 9:30 am for worship and throughout the week for various opportunities for Christian discipleship and enrichment. Please keep Watts Chapel in your prayers. Thank you for your patience, support and understanding.

Blessings,
