3703 Tryon Road ● Raleigh, NC 27606 919-828-7348 ● www.wattschapel.org

Dear Watts Family,

Greetings in the name of our Lord and Savior Jesus Christ!

Welcome to the Watts Chapel Missionary Baptist Church Business & Professional Directory. The intent of this directory is not to serve as an advertisement of such services, but as a guide to direct you to the professional services that are rendered by Watts Chapel family members. The benefits of using this directory are innumerable. This church business and professional directory provides you with exposure to an underused marketplace, an opportunity to network with Christian business owners and professionals, as well as a chance to help persons in the Kingdom of God, through our support of each other.

We all have been impacted by the pandemic and families are examining where and how they spend their hard-earned dollars. As Pastor and spiritual leader, I am encouraging the congregation and persons beyond the Watts Chapel church family to consider patronizing the business owners and professionals whose goods, products, and services are featured in this publication. Thank you for using this directory.

Yours in Christ.

Hi I'm Margie. I enjoy working in the "wedding and event" industry. I am a trained professional and distinguished graduate of the Association of Bridal Consultants. ABC provides the most recurring and comprehensive training in the industry. Would you go to a doctor who was not continually educated in the medical field or in good standing with the AMA? Knowing what to do and how to do it makes all the difference in my business. Allow my team of trained professionals to assist you. My team and I are used to juggling many things at once and are very experienced in time management. We are behind the scenes experts equipped to manage the challenging opportunities of events with personal service and uncompromising quality so that you can be "a guest at your own affair".

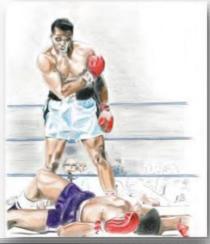

I am a Certified Sandals Specialist and Wedding Moon Specialist with Sandals and Beaches Resorts. Sandals Resorts is for two people. Beaches Resorts is for everyone. As a fringe benefit for you, I have relationships and have personal access to resort General Managers, wedding planners, and others that work at the resorts themselves. This includes private access to names, numbers, and emails to the resorts should the need arise.

Instead of hours on the phone you can contact me and let me help you narrow down a resort that fits your personal travel style. We can put together the perfect <u>all-inclusive vacation package</u> for you, your family, or your group. We can put together a fantastic dream wedding, honeymoon, or even to retie the knot. Let me help you make wonderful memories that will as a lifetime!
