Transportation Waivers: Will be submitted with the Online Form Request or Hard Copy completed at pickup. (Church Driver will have available copies)

COVID Protocol: The COVID Pandemic has caused us to adjust how we execute our Transportation Ministry. For the protection of everyone riding in church transportation vehicles, everyone is required to wear a protective mask covering their nose and mouth. The Driver will provide a protective mask if the rider does not have their own.

- **Driver will** provide each rider with the scheduled Sunday morning pick-up time.
- **Driver will** call each adult rider Sunday morning to confirm transportation pickup.
- **Riders are required** to be ready to travel when our transportation arrives at the designated pick-up location.
- **Rider will** notify the driver as soon as possible (*not later than 8:30 AM*) if the pickup is no longer needed.
- **Children aged 16** and under are required to be accompanied by an adult 18 or older. Children cannot ride the church transportation without required adult supervision. If the child requires a safety car seat, the adult traveling with the child is responsible for providing the safety seat.
