This month, we are setting aside 30 days to seek God through intentional prayer and His Word. Let us unite as a church family, believing God for transformation in our lives, our church, and our community. The power of corporate prayer is undeniable when we come together with one heart and one voice. We invite everyone to participate fully throughout the entire month of October.

Greetings Watts Chapel,

As we enter the month of October, I'm calling our entire church to join in for **30 intentional days of prayer and scripture**. While October has 31 days, we are setting aside the first 30 days to seek God with purpose, unity, and faith.

These are praying times like never before. Our families, our community, and our world are in desperate need of healing, hope, and spiritual awakening, and we know that **prayer makes the difference**. When we humble ourselves, turn to God, and pray, He promises to hear us, forgive us, and heal our land (2 Chronicles 7:14).

This 30-Day Prayer and Scripture Guide is more than a devotional tool; it is a **call to action**. A call to every member of our church, young and old, to seek God daily and to stand together in faith.

While each of us is called to pray individually, we must also be intentional about praying **together**. There is power in unity, and heaven responds when the people of God gather with one heart and one voice.

To that end, I am inviting and encouraging you to join us for **corporate prayer every Wednesday before Bible Study**:

- **Noon Bible Study** – Prayer from **11:30 AM to 12:00 PM**
- **Evening Bible Study** – Prayer from **6:30 PM to 7:00 PM**

Dates: October 1, 8, 15, 22, and 29

Whether you pray at home, with your family, or in person at church, your participation is vital. I truly believe that as we commit to this journey together, we will experience the power, presence, and provision of God in new and undeniable ways.

Let's not allow this month to pass by as just another October. Let it be a turning point, a season of spiritual alignment, breakthrough, and renewal.

Let us unite in prayer and watch what God will do.

In His Service,
Pastor Harry L. White, Jr.
